As flexible as the availability is possible, as variable are the conditions. You can choose:

1. Possible daily rate, e.g. with success-oriented bonus, per milestone reached
2. Low daily rate for an order over several months
3. Decreasing daily rate for assignments from month to month
4. Regular daily rate for short mandates, e.g. for consulting assignments

The daily rate depends on the duration and type of order and includes professional liability insurance.

I would appreciate your interest. Please do not hesitate to contact me for an interview.

Please let me know when and how I can best reach you. I would also be happy to get in touch with you. I am looking forward to our further discussion!

Best regards
